Condition

1. The customer can attend the promotion 5 times maximum per product number
 2. The product must be able to clearly verify the serial number. If unable to verify will not be able to participate in this promotion.
 3. Unlimited product per 1 customer
 4. Customer can bring repair order to confirm the serviced times. But if the customer does not have a repair order, the number of times can be checked from the camera repair department coordinator, head office, on specific days and business hours. In this regard, the Company determines that the results of the officer's examination are final.
 5. This promotion can only be applied at Canon service centers and dealers as follow
 - Canon service, head office at Sathorn Square Office Tower building, 24 floors, Bangkok
 - Bring the product to the service center
 - Delivering the product via postal parcel service or using Canon Delivery Service
