Contact: Call Center 0 2344 9988, Line @canonthailand, Line @canononsiteprinter

Condition

1. The extended warranty is only applicable to the devices that are repaired by technicians from Canon Marketing (Thailand) Co. Ltd.
2. The extended warranty is applicable to onsite service repair quotations dated May 1 - July 31, 2022 only.
3. In case a customer receives a quotation dated July 31, 2022, the customer will receive an extension of the approval period as follows:
4. Government agency customers will receive an extension of the approval period by 15 days or up to August 15, 2022.
5. All other customers will receive an extension of the approval period by 7 days or up to August 7, 2022.
6. Customers who wish to avail the extended warranty service must approve the onsite repair service by signing the quotation and returning it to Canon via email within 7 days from the date of quotation. Customers must pay the service fee as per the payment terms specified in the quotation within the period specified on the invoice.
7. The extended warranty promotion covers the extension of the warranty for spare parts and service charge only.
As this promotion does not cover the onsite service charge, customers requesting for onsite repair service will still need to pay the onsite service charge.
8. The extended warranty promotion for Large Format Printer, Laser Printer, Inkjet Printer

Canon Marketing (Thailand) reserves the right to change or cancel this promotion including other relevant details without prior notice.
