**500** Baht Out-of-warranty Printer

The above are minimum rates for delivery service within Bangkok and outskirts, subject to additional surcharges for other areas depending on the distance. Canon reserves its right of final decision on the eligibility of warranty. \*VAT excluded

### Terms and Conditions of this promotion

- The delivery service is available on Mon-Fri 8.30-16.00 except public holidays. (In case customers contact Canon after 14.00PM for delivery service, Canon reserves its right to pick up the product from customers on the next working day)
- Canon will provide delivery service only after receiving full payment from customers.
- Customers must provide name, address and contact phone number (mobile phone only), printer model and serial number before requesting for delivery service.
- Customers must pack the product for repair in proper condition, ready to be transported as recommended by Canon staff. Otherwise, Canon will not be responsible for any damages found during transportation. Delivery service is available only in Bangkok and outskirts (Samutprakarn, Pathumthani and Nonthaburi) or areas within 0-10 kilometer distance from Canon Certified Service Center only. (Canon reserves its right to consider whether or not to provide delivery service outside the service areas and additional surcharges may incur in case of greater distance than indicated)
- Canon reserves its right to provide delivery service for 1 unit of printer at a time.
- Canon reserves its right to refund the paid delivery service charges in all cases. More information about Terms and Conditions, the list of participating products and Canon Certified Service Center: <https://th.canon/th/consumer/web/deliveryservice>
