FUN PRINTING IN NO TIME

WITH

3 EASY STEPS

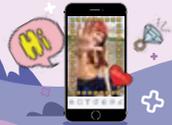

STEP 1

Connect

Download the Canon Mini Print app and connect the printer to your mobile device.

STEP 2

Add Fun

Customise your photos with creative filters, text, or stamps.

STEP 3

Print & Share!

Print your photos, or share with friends and family!

CREATIVITY IN YOUR HANDS

Personalise your photos with the Canon Mini Print app's AR Live filters that transform your photo using face tracking technology. You can also easily add filters and even your own doodles and sketches for a totally customised image.

FREEDOM IN YOUR HANDS

Fancy creating your own jigsaw puzzle or mini poster? Use the Tile Print function to print an outstanding image composed by either 4 or 9 individual prints.

CONVENIENCE IN YOUR HANDS

The Canon Mini Photo Printer's petite and lightweight frame is perfect as a travelling companion. Slip in your pocket or sling it on a neckstrap as you cruise through town! With no need for messy cables, you can print instantly as you desire.

MEMORIES IN YOUR HANDS

The Canon Mini Photo Printer uses ZINK™ Photo Paper that requires no ink at all! Print smudge-free and tear-resistant 2" x 3" photos with a peel-off backing that allows you to stick all your precious memories on your phone, laptops and more.

CONNECTIVITY IN YOUR HANDS

With Bluetooth® connectivity, simply pair the printer with your mobile device via the Canon Mini Print app and start printing instantly.
