BUILT FOR ROBUST & RELIABLE BUSINESS PRINTING

Business *Can* be simple

imageCLASS

LBP351x & LBP352x

TAKE COMMAND OF YOUR BUSINESS PRINTING

Achieve ultimate print productivity with the new **imageCLASS LBP351x** and **LBP352x**. A formidable combination of lightning-fast print speeds and heavy-duty paper input capacities, along with Gigabit Ethernet support and seamless uniFLOW integration, the **imageCLASS LBP351x** and **LBP352x** are sure to command any print jobs, big or small, with absolute control and effortless ease.

55 PPM | 62 PPM

FAST PRINT SPEEDS

UP TO 1,200 X 1,200 DPI

EQUIVALENT RESOLUTIONS

APPROX. 7 SECS

QUICK FIRST PRINT OUT TIME

UP TO 3,600 SHEETS

MAXIMUM PAPER INPUT CAPACITY

WORK EFFICIENTLY WITH FASTER PRINT SPEEDS

Expect high quality monochrome documents with resolution of up to 1,200 x 1,200 dpi (equivalent) from the imageCLASS LBP351x and LBP352x at blazing print speeds of up to 55ppm and 62ppm (A4) respectively. Incorporating Canon's proprietary On-Demand fixing technology, both models are capable of producing the first printout in approximately 7.2 seconds and 7.0 seconds, which translates to more print jobs with less waiting time.

With Canon UFR II technology, both models take full advantage of the PC's constantly evolving processing speeds, which in turn accelerates document processing and printing for greater productivity.

SUPPORTS MULTIPLE PRINTING ENVIRONMENTS

PCL 6 and genuine Adobe® PostScript 3 are included as standard print languages, allowing the device to be configured easily for different operating environments. In addition, the imageCLASS LBP351x and LBP352x supports uniFLOW, facilitating the seamless integration into any uniFLOW managed print environment.

MORE PRINTOUTS WITH EXPANDABLE PAPER CAPACITY

A great choice for offices with higher print volume, both the imageCLASS LBP351x and LBP352x come with a standard 500-sheet cassette, 100-sheet multipurpose tray and optional paper cassettes, bringing the total input capacity up to 3,600 sheets. This enables users to configure the printer accordingly to their printing needs, and reduces the frequency to replenish paper.

FLEXIBLE MEDIA HANDLING

If you require high-speed A5 printing or printing on small media, you can replace the standard cassette with the A5 Cassette or Custom Media Cassette.

GREATER MOBILITY ANYWHERE

You can now print directly from your smartphone or tablet without the use of a computer. Both models support Canon PRINT Business app, Apple® AirPrint™, Google Cloud Print™, Mopria®, and Canon Print Service.

PRINT MORE FOR LESS WITH HIGH YIELD TONER

Enjoy fuss-free and low maintenance operation with the All-in-One Cartridge 039. A higher yield toner of 25,000 pages (Cartridge 039H) allows you to continuously print high quality output, while at the same time reducing operating costs as well as the replacement of toners.

SAVE ENERGY, SAVE MONEY

Do your part for the environment and save cost at the same time. Print on both sides to reduce paper wastage. While in Sleep mode, both models only consumes a mere 2 watts (or less), resulting in a smaller carbon footprint.
